

## Lithofin FZ Conditioning Cleaner

### Description

A special product from the LITHOFIN-Range for fully vitrified ceramic and porcelain tiles (FZ). Lithofin FZ Conditioning Cleaner is a mildly alkaline maintenance product formulated for every-day use.

#### Technical Data:

Density: approx. 1,0 g/cm<sup>3</sup>

Appearance: liquid, bluish

Odour: pleasant

pH-Value: 9 to 12

Flash Point: n.a.

Solubility in Water: complete

### Properties

This high-yielding concentrate is added to the wiping water, and it cleans and maintains in one simple operation. Selected raw materials ensure an optimum, streak-free cleaning effect without building up layers. Surfaces become more attractive and less sensitive with continued use.

### Field of Use

For regular maintenance cleaning of all polished and unglazed vitrified ceramic and porcelain tile surfaces which are subject to normal levels of wear and tear.

### Directions for Use

Add one squirt of Lithofin FZ Conditioning Cleaner to a 10 litre bucket of water. Wipe the floor with a wet cloth, then wring out the cloth and wipe again in order to remove the product. The surface does not need to be rinsed afterwards. Do not walk on the surface until it is completely dry.

Please Note: do not leave the product on sensitive surfaces such as polished marble, etc. In cases of doubt, try the product in an inconspicuous area.

Advice: surfaces which are subject to high levels of wear and tear should occasionally be cleaned with Lithofin FZ Intensive Cleaner. Calcium deposits, rust and soap scum can be removed with Lithofin KF Ceramic-Clean.

### Storage

Keep closed, cool and dry.

Shelf life of up to five years.

### Environmental Protection

Surfactants are biologically degradable in accordance with EU-regulations.

Disposal: diluted product may be added to waste water. Containers are made of environmentally friendly polyethylene (PE). Clean containers can be recycled through collection systems.

### Safety

Contents: anionic surfactants; non-ionic surfactants; auxiliary agents.

Risk and Safety Phrases: irritating to eyes.
